

# Cody Dyer

Objective: My end goal is to become an MD - but I'm taking it one step at a time. Right now I am focusing on gaining experience and putting in the work to make my goals a reality.

## EXPERIENCE

### **BYU Security, BYU campus, Provo, UT — Security Officer**

December 2019 - Present

I am currently employed under BYU Security, working under Officer William Waite. I work part time as I am still attending BYU. For this job I monitor the campus, complete tours and talk to people in the area to ensure safety.

### **Tahoe Fracture & Orthopedic Medical Clinic, Carson City, NV — Medical Assistant**

June 2019 - January 2020

I was employed full time under Tahoe Fracture following my first year of college. In this profession I worked most closely with spine, orthopedics and pain management. My duties included rooming patients as well as procedures such as staple, suture and cast removal.

### **Montreux Golf & Country Club, Reno, NV — Course Maintenance**

June 2018 - September 2018

I was employed with Montreux the summer following my graduation from high school. For this job I worked starting as early as 4 or 5 in the morning. Shifts sometimes lasted as long as 16 hours.

## EDUCATION

### **Brigham Young University, Provo, Ut — Pursuing a Bachelors in Biology**

August 2018 - Present

I am currently at school at BYU. I have a 3.44 overall GPA and am taking classes such as Organic Chemistry, Calculus and Genetics this semester. I plan on graduating 2020 with a degree in Biology.

### **Galena High, Reno, NV — High School Degree**

August 2016 - June 2018

I graduated high school in 2018. I made a 5.0 GPA. My first two years of high school were in the IB program at Inderkum High, Sacramento, CA.
